Capsize plays a relaxed, emotional brand of electronic pop with female vocals and poetic lyricism. 10 MP3 Songs POP: with Electronic Production, ELECTRONIC: Down Tempo Details: The debut album by Capsize features smooth, crisp synthpop music with rich female vocals and a profound lyrical approach that is instantly catchy, meaningful, and memorable. This Swedish duo sounds polished and instantly impressive with each song, ranging in theme from the confusion and emotion of personal relationships to social commentary about cowardice or inaction. At one level, Capsize appeals to the catchy pop fan, and on another level they appeal to the fan of serious poeticism.
