

## Mp3 Evenstar - Bad Luck Yesterday

[DOWNLOAD HERE](#)

released: 2003 A modern rock and power pop explosion, evenstar flies back on the scene with their latest release 6 MP3 Songs ROCK: Modern Rock, POP: Power Pop Details: evenstar is a band that promises to play the most energy filled melodic rock on the planet, and time after time they deliver. Established in NYC in mid 2001, the band set out playing local venues throughout the New York and New England area in support of their debut acoustic album Searchlight. During this time they developed their sound, and gathered a devoted fan base through constant touring on the east coast. On the road the band created a powerful performance style that includes a crowd interactive experience leaving the audience always wanting more. evenstar's sound has evolved from their early acoustic work to their signature melodic rock sound featured in their latest release Bad Luck Yesterday. This latest album is the perfect mix of melodic songwriting and powerful performances that will further increase the fan base of this young NYC power trio. Bad Luck Yesterday is slated for release in November of 2003. After that the band plans on doing what they have been doing for the past 3 years, playing as much as they can, and winning as many fans over as they can. Look for evenstar at a venue in your city.
