contempoary funky r&b gospel." a voice full of power and tenderness at the same time..music laced with such humbleness and truth that together these two will touch a person's heart when just words could never get there" k taber, worship leader / minneapol 10 MP3 Songs GOSPEL: Contemporary Gospel, POP: Piano Details: Gary Lowder: Native Tarheel transplanted to Minnesota. R b singer, songwriter with a voice filled with power and tenderness at the same time. His music is laced with such humbleness and truth that together these two will touch your heart when just words could never get there! give this blued eyed soulman a listen ...you'll be blessed! Lead Us On * The new CD, "Lead Us On" release by Gary Lowder was truly a labor of love... *A new fresh sound of Contemporary Gospel, with a mix of blued eyed soul. Gary's Musical influences over the years have collaborated a musical toe tapping, hand-clapping celebration of a heart felt message that is sure to move your soul to an accelerated level of high praise! *Working with some of the Twin Cities finest players, musicians, and vocalist, Gary has blended a mix of grooves combined with old school Hammond b3, funk guitar, and slammin' drum tracks. *This is a collaboration of love, soul, funk, hard work and determination. In the beginning there was analog. In the end... analog meets the digital world. "LEAD US ON" is quite a musical ride. So ladies and gentlemen... fasten you seat belts, adjust your head sets, and get ready for some great grooves that are sure to move you to an inspirational high!
