

Mp3 Itchyface - Let The Healing Begin

[DOWNLOAD HERE](#)

The notes you write late at night, all alone in your room, set to up and downtempo Grooves. 12 MP3 Songs ELECTRONIC: Down Tempo, ROCK: Psychedelic Details: Let The Healing Begin... is an experiment in inspiration. Putting the intent of inspiration in every sound and every word and recording from my heart to encourage art, arouse love, and excite life in others. Its straightforward, simple, and reassuring. Encompassing many genres of music from electronica and soul to ambient, pop and sound art. Feedback has been phenomenal from painters, filmmakers, and musicians. Im happy to share my love and my life. Enjoy. - Itchyface
