A solo piano album containing beautiful original melodies as well as heartwarming familiar songs. 12 MP3 Songs NEW AGE: New Age, EASY LISTENING: Background Music Details: Joe Ayala is a multi-talented pianist, vocalist, entertainer. He has been performing as a professional musician for more than 30 years in top night clubs, hotels, and private parties. Of all of the formats in which he performs, his favorite is playing the piano. He started as a pianist, and it's still his favorite means of expressing music. There is honesty with the piano. There are no gimmicks or other people to lean on. Just the artist, the instrument, and the audience. Sunset Sonata is a collection of the best of Joe's original work and some of the most requested pieces of music ever. All of the selections are performed on a wonderful Yamaha piano and are weaved together to make a beautiful listening experience. We cordially invite you to sit back, relax, and enjoy!
