Original new age piano music, relaxing, inspiring, beautiful. 9 MP3 Songs NEW AGE: New Age, CLASSICAL: New Age Details: "Still" is my third original piano release and my strongest effort. I composed all songs, arranged them, and performed them direct to tape with no overdubs in a church in Virginia. My music was also featured on a worldwide release for Narada records title First Light: Piano Solos. Fans have used my music for weddings, child-births, parties, shows, and relaxing, whether at home or in the car. I have been playing piano for over 25 years and am continually thrilled and humbled by all of the things I have been able to do through my music. Thanks for listening and enjoy!
