Blues soul acid jazz alternative 9 MP3 Songs BLUES: Jazzy Blues, URBAN/R&B: Soul Details: key of me is an organic and eclectic mix of blues, soul, folk and jazz with an alternative edge. key of me is randy sabourin (guitar/vocals/madness), kiran singh adds the soul vocal presence as well as keyboards, peter howard provides the underlying percussion, drew jurekca gives purpose to the violin and marion arthur soothes any demons with her cello and voice. the songs are a journey through our lives that move from waves of deep rooted motown and funk grooves to eerie melodic string lines to modern life angst to a wall of sound to improv'd moments frozen in time. it's a warm glow on a friday night with a bottle of wine and some firelight. key of me breaks down the barriers between jazz, blues and soul while adding enough edge to make you think. audiences comment on the range of textures, the quick movement of moods that offer both a complexity and simplicity.
