"Dance or Music...it is a growing process for me as I see my self and time change. It is a borderline from my past to my future, to my culture, a vital part of my connection with all living things. My Music is just an uttering of praise for the creator." Musicians: Ralph Torres- lead vocal, alto sax, flute, quena, antara flutes; Mario Ifraen Trevizo- vocal, congas and percussion; Ralph Torres Jr. baritone sax; Joe Rotundi- piano; Bob Robles- electric and acoustic guitar; Ramon Stagnaro- electric and acoustic guitar; John Pena- bass; Guillermo Guzman- bass; Jesse Talamantes- congas and percussion; Tony Rosas- congas and percussion; Chuck Silverman- drums and percussion.....The music of KUKULCAN runs the gamut of musical endeavors. With the sweet groove and sensual sounds of LATELY and THE LOVE WE SHARE, the upbeat and uptempo rhythms of STREETSCAPERS, CUNA, ESQUINAS the ethereal cadence of AYAMARCA, and the melodious beats of I ONCE KNEW A GIRL, BRAZILLIAN LOVE CHANT, LAUGH AND BE HAPPY. This music is a myriad of fresh and innovative artistry and musicianship. -Michael Torres...This recording was born out of life's experiences and cannot be labeled. It goes beyond forging new musical boundaries. From the opening note to its last, music for the mind, body, soul and feet. -Robert Alaniz.
