A ska-reggae-jungle playing English-Russian-Hebrew singing band from Tel Aviv, Israel. 12 MP3 Songs

WORLD: Reggae, REGGAE: Ska Details: Los Caparos are a genuine proof of successful mixing of different cultures, languages and musical styles. Starting their musical carrier in 2004 by playing in pubs and clubs, closely associated with the Russian community of Tel-Aviv, the band has quickly found a way into the hearts of the native Israeli audience as well. The combination of the Russian temperament and the Israeli sun has created a fresh, new and unique blend of Ska, Reggae, Dub, Jungle and World Music in Russian, Hebrew and English, and made the music of Los Caparos truly international. The band's staff is also multicultural, as it includes both native Israeli and Russian speaking musicians. Some of Los Caparos members are well known in the Israeli music scene and take part in different musical projects, such as The Apples, Avi Leibovich Orchestra and Reggaestan to name a few. MC Goga is one of the leading figures of the Israeli drum'n'bass scene. Los Caparos actively perform in Israel, gaining an increasing interest of the audience and the mass media. The band has taken part in a number of festivals, among them "Festival Be-Shekel 2007", "VDOH 2005" in Moscow and "Ir-HaBira 2005" in Tel-Aviv. During 2006 Los Caparos have recorded their debut album "Rasta Vasily" co-produced with Beno Hendler - an independent Israeli music maker, which has worked with Berry Saharof, Tomer Yosef, Adam Ben-Lavi (Fishi the Big), Balkan Beat Box and others. Many of the tracks feature guest appearances by some wonderful musicians - Uri Kinrot and Yuval "Tubi" Zolotov from "Boom Pam", Yaron Ouzanna from "The Apples", Alon Sage from "Hardal", Sangit Dotan Segal from "Kuluma", Amir Pinto, Shaul Eshet and Roi Harazi. Recording and mixing were made by Adir "Doctor" Dadya, some tracks mixed by Guy Mar ("Ha-Dag Nahash"). The album is out now.
