Two friends with acoustic guitars singing and playing warm and intimate songs - if you like Garcia's "Not for Kids Only", you'll love it. 15 MP3 Songs KIDS/FAMILY: General Children's Music, FOLK: Traditional Folk Details: "Fall Leaves" invites you to go for a Walk in the Woods; sing along with the classic children's story Brown Bear, Brown Bear; dance with the Itsy Bitsy Spider and shake all the different parts of your body, singing "Hot Dog"! If you're fans of Garcia and Grisman, then you'll love "Fall Leaves". Lou and Brady are friends from New York City and Fall Leaves is based on their popular music class that they teach at the Vanderbilt YMCA. With simply two acoustic guitars and a harmonica, they have put together a warm, heart-felt and welcoming group of tunes. Children will love their enthusiasm and adults will appreciate their musicianship. It wasn't long before their students started showing up for class with their own mini-guitars strapped around their necks. Children's music for the twenty-first century. Two talented guys with infectious, friendly chemistry make this a great addition to your children's, as well as your own music collection.
