Jazz Music 9 MP3 Songs JAZZ: Traditional Jazz Combo, LATIN: Latin Jazz Details: Martys new Shade Records release Being Gemini showcases his creative energy and compositional skills in a culmination of two years worth of emotions, episodes, ideas and curiosity. The amount of energy and time it took to produce this album of substance has made Marty particularly proud of the outcome. Marty chose the title Being Gemini to most accurately describe how he deals with various events in his life. Radical emotions that were playing in my head are reflected distinctly in the opening of the title cut,says Marty, Yet the calmness in my life trying to breathe through is evident as the tune progresses.
