

Mp3 Naked In Ashes - Soundtrack-**tony Humecke & Stephen Day**

[DOWNLOAD HERE](#)

A distinctive soundtrack that takes you on the remarkable journey of the acclaimed film NAKED IN ASHES : : It's music that is meditative, energising and uplifting as it follows the daily lives of the yogis. 36 MP3 Songs WORLD: World Beat, CLASSICAL: Contemporary Details: The soundtrack for Naked in Ashes accompanies the unique story of the search for enlightenment by various yogis of India as told by film director Paula Fouce. In keeping with the spirit of the quest, composer's Tony Humecke and Stephen Day have created music that takes you on a journey that simultaneously excites and soothes, marches and soars, and inspires and awakens. Indian classical, western classical, world percussion, and more combine to create a sound that calls to the spirit. This dynamic disc is packed with performances, compositions and recordings by musicians from Bombay, London and L.A.. and features such well known musicians as bassist John Leftwich (Riki Lee Jones, Lyle Lovett), guitarist Ant Glynn (Rick Wakeman, Asia, Mike Oldfield), Anand Murdeshwar (Indian Flute) and members of the London Symphony. Tony Humecke contributes percussion, bowls, and various sampled instruments while Stephen Day contributes sarod and guitars. Katharina Day's violin can be heard on numerous tracks. music scoring very lively without being intrusive Dennis Harvey Variety Magazine Film Review "rich with spirited melodies that open the heart and inspire the listener to smile while enjoying the hard work that must have gone into the production of this interesting release." Michael Mollura Music Connection Magazine TO FIND OUT MORE ABOUT THE ARTISTS, PLEASE VISIT: Tony Humecke at - tonyhumecke.com Stephen Day at - sarodsong.com ombience.org FOR MORE ABOUT THE FILM, VISIT: paradisefilmworks.com
