Fresh and unusual electronically rich Pop 8 MP3 Songs ELECTRONIC: Industrial, ELECTRONIC: Experimental Details: "Between Light The Silvery Moon" written, performed and produced by Paul Anthony Martini. Takes you on a mystical journey through lyric and song. Swirling the industrial sounds of today with melodic pop tones and infectious world grooves. His creative mind never taking a moments rest, "Between Light the Silvery Moon" is inspired by dreams and visions that came to him while he slept. Taxi Reviews: - "Fresh and unusual. Has the power and texture of Massive Attack." - "You have created not just a song but a listening experience. Nice Going. Keep it up!" - "Surrealistic till the end mystifying. Retro- reminiscent of the beatles, Strawberry Fields" Paul Continually strives to be an Innovator instead of an imitator. He is driven to create his own style of music. In Production he blends seamlessly old world instruments with the sounds of today's pop culture. Then adding very distinctive vocal lines and textured harmonies. Paul is no stranger to the music scene. First receiving recognition with "Lost in Time" featured in the independent film "Mergers and Acquisitions" starring Brian Vander Ark of the Verve Pipe. Which won first place awards at the Long Island Film Festival. He also has written and produced two full albums with his band Martini. Both CD's "Ecllyptic Playground" and "Walking on Water" have had tremendous sales at live shows in South Florida and through there web site Martiniband.com. Writer by Day, voice over by night, Paul layers his life with creativity. He has voiced for Brittany Spears, the Care Bears, Casper the Friendly Ghost and U.S. Army just to name a few. As well as sung numerous jingles for Volks Wagon, Mitsubishi and The Florida Panthers Hockey Team. Paul also has written word and music for children's books. Such as "The Puddle on Bloom Street" , "How to Get From Here to There" and created, animated and produced the hilarious cartoon shorts "Martoonies". He is continuously evolving and emersing himself in his craft.
