

Mp3 Peter Ulrich & Sara Wendt - Hanging Man

[DOWNLOAD HERE](#)

A dark and riveting tale of murderous passion featuring an unlikely and powerful assortment of instruments ranging from an Irish whistle to a lapsteel guitar. 1 MP3 Songs in this album (3:42) ! Related styles: WORLD: World Fusion, WORLD: Celtic People who are interested in Dead Can Dance Lisa Gerrard Evanescence should consider this download. Details: "Hanging Man" the haunting new single release from City Canyons Records combines the unique mind and music of Peter Ulrich (formerly of "Dead Can Dance") with the compelling voice of talented City Canyons' artist Sara Wendt and the sparkling instrumental contributions of New York indie super group, The Jayne Canyons Band. Produced by Big T of City Canyons Records, this tale of love, murder and eternal retribution will linger in the listener's mind for a very long time. This special enhanced release of "Hanging Man," with a video component, is brilliantly enhanced by the visionary and passionate art work of UK artist, Tony Pinfold. Pinfold captures the dark beauty of "Hanging Man" with a series of every-changing powerfully evocative images that gives the listener a true multimedia experience.
