Melodic Rock; soulful acoustic and electric guitar compositions accompanied by poignant vocal melodies and solid rock drums. 9 MP3 Songs POP: Today's Top 40, ROCK: Acoustic Details: After five years of off again, on again writing, gigging, and practicing, Pump Action Jackson proudly releases their first studio album, "Flicker and Fade." This album is full of simple songs and poignant melodies possessing a soul that will capture you in its rhythm and a heart that will bring the songs to life. "Fade Away", the album's first track, is a powerful ballad beginning softly, then growing into an explosively emotional chorus and anthem of the cries from a band trying to gain recognition playing in small empty venues. The emotion from "Fade Away" is met with the energy from the, can't help but sing along: "Wasting Time" and "Mr. Invisible." Combine these with the genuine and heartfelt "Pulling Me" or "It's Alright", and "Flicker and Fade" takes on a Top 40 feel with a far more intimate and not over-produced sound. This music has catchy and mainstream written all over it. Pump Action Jackson's "Flicker and Fade" definitely has something for everyone so check it out and enjoy this music for the masses.
