Electronica, Dance, Rock, New Wave Pop 10 MP3 Songs ELECTRONIC: Pop Crossover, ROCK: Glam  
Details: Imaginative, original and thought-provoking, solo electronica artist Rabbit (aka Ivan Chan) a Melbourne Australian boy who burst to prominence by going back to his hometown Malaysia by grabbing the Best New English Artist and Best English Album awards at AIM 2001 the local version of the Grammys. All this is the result of his first album, Tales Of The Nocturnal Man. Released under acclaimed indie label Positive Tone, it was lauded by critics, fellow artistes and industry veterans alike for producing an international-quality sound that broke away from the rest of the Malaysian pop market. Despite producing his entire album in his home studio, Rabbit has also generated rave-reviews for his live sets with imaginative renditions of his own songs as well as astutely-selected and eclectic covers. Now with the release of his new album Mango Overheat Rabbit will further surprise fans with his original and mind blowing musical style. A mix of electro, rock and pop this album certainly bring new heights adding a new textures and sounds to his catalogue of music. Truly Inspiring...
