motivational techniques and mental exercises that will help you overcome obstacles, crystallize your vision to attain an extraordinary life. 6 MP3 Songs SPOKEN WORD: Inspirational, SPOKEN WORD: With Music Details: Few individuals understand the impact common sense has on the day-to-day management of organizations and institutions as Ronald Mitchell. A relentless advocate, educator and former b-school professor Ronald Mitchell is largely recognized as a master common sense coach and change agent for his innovative approach and insight on how to unleash and develop your gifts and talents. As an entrepreneur, lecturer in the field of management, human development and global strategist he encourages organizations and people to look within and extract their greatness to overcome adversity and soar to new heights. He received his B.A. from DePaul University, a Juris Doctorate from the University of Pittsburgh School of Law and MBA from the Clark Atlanta University where he continued to study developing countries, leadership and entrepreneurship. After completing additional MBA course work at Emory University Goizueta School of Business, Ronald continued to comb the country interviewing parents, video game developers, educators, athletes, students, ex-convicts, and successful individuals from various disciplines. His relentless investigation created the Bem Result System and revealed the key essentials needed to combat mediocrity, discover and develop your gifts and talents to bring about change and produce extraordinary results.
