Have you seen rainforest images? Now, you can feel the texture. Feel your fingers touch the rising sun among the trees, catch the stream at dawn, and get wet in the rainforest. 6 MP3 Songs NEW AGE: Healing, NEW AGE: Environmental Details: When we felt the need to capture and give expression to the natural peace of this magic land, we got inside bewitched forests which flood the country. In their cores we got each sensation, smells and evocations that only the rainforest can give us. Our emotions went joined with the spirit of the rainforest, and it told us the story. In a while we understood that its music is what keep us alive, and each one of us is only a note placed on its multitimbral score. Our music is the answer to the orchestral conduction that the rainforest give us in its cyclical compass. Schironi Enrique Schironi Mazzei (Caracas, Venezuela - Aug 14 / 1954) was seven when went to the music school. In the first half of his life, Schironi played keyboards on rock bands in the underground Caracas, made music for multimedia games and put his music on some commercial ads. Meanwhile, he became a mastering engineer, lending his ears to the music market in Venezuela and other countries nearby. Many artists, producers and sound engineers trusted in Enrique, so he put his hands and ears over their works to get the best make up for them. In his free time, he got influences from Pink Floyd, King Crimson, Cream, Beatles, Bach, Yes and many latin representative musicians like Carlos Santana and Rubn Blades. The second half of his life begins with this record, MELODAS DEL BOSQUE HMEDO, a critical production declared by the Costa Rican 'Ministerio de Cultura, Juventud y Deportes' a PUBLIC INTEREST WORK, for its positive message over the natural environment of Costa Rica in order to citizens and turists get conscience in harmony with the natural world around. In Costa Rica, "Fundacin Neotrpica" (neotropica.org) gets a fee from each sold CD: "With the purchase of this CD you contribute to the

programs that promote the intelligent and equal use of the natural resources and the environment in Costa Rica". MELODAS DEL BOSQUE HMEDO was full digitally recorded, environments in the rainforest first, then mixed with soft-original-texture-melodies, and finally post-produced with top of the line digital tools. Actually, Enrique doesn't know how long his second part of life will be. While living, he thinks and acts like all goals in the human life must keep in mind that the planet is a living being and we are only very little actors in the stage: In the theater of life each and every ecosystem play a scene, their own act and speak their voice out
