Light a candle and spark up the incense. Scott is about to take you places with his music that you have only dreamed about. Take a deep breath and relax. Your journey is about to begin. Imagine yourself driving down pacific coast highway with the top down...the wind blowing in your hair...white sand, crystal blue ocean, endless skies and a warm golden sun at your back. That's where you will find yourself while listening to the Scott Kovarik CD "Soul Possessions". Who is Scott Kovarik? A rare talent, Scott writes, sings and performs all instruments, as well as engineers all his own recordings. Scott does everything - the guitars, drums, singing and effects----it is truly amazing. So much so that it must be heard to actually be believed. Scott's music has been featured on popular television shows "Everwood", "One Life to Live", "Young and the Restless" to name a few. The Scott Kovarik's Story... begins as a teen with a vision of stardom, while stuck in Cleveland, Ohio. At the age of 17 Scott followed his star to Southern California as a high school senior where he played rhythm guitar in a local Malibu band called "Senses". For close to the next two decades Scott spent nearly every free moment writing and recording his songs. It wasn't until he tired of life in the fast lane, gave up his tarnished California dreams of fame and fortune and moved back to Ohio that Scott's music began to get the recognition it deserved. What happened next is another page in the book of destiny for Scott Kovarik. Recorded in his closet on modest recording gear he purchased as an employee of a local music store, his song "She Is" caught the ear of a TV music supervisor where it

landed in a couple episodes of "The Young and the Restless". Other television shows began to use Scott's music and today Scott's songs are cruising the airwaves in places as far away and exotic as Australia. There are many who believe Scott Kovarik will soon become one of the great music legends of our time, and you can take a piece of him home with you now. **L I M I T E D S P E C I A L O F F E R ! ! !** How would you like to get this (14) song CD absolutely FREE??...that's right 100 totally FREE!!
