

Mp3 Solomon - No Endorsement Required

[DOWNLOAD HERE](#)

root rock reggae a caribbean philosophy 10 MP3 Songs WORLD: Reggae, ROCK: Roots Rock Details: Convicted, self-opinionated, bold and downright talented. That's the Caribbean Giant for you, "SOLOMON". Considered a visionary by those who know him and his music, Solomon continues to step beyond boundaries that few other local musicians dare. Born Solomon Gabriel, this multi-faceted musician produces nearly everything from kaiso to soca, pop to rock, reggae to raga and alternative to an assortment of world beat fusions. His chosen genre, however, is roots-rock-reggae with an alternative tip. In fact, not since the passing of Bob Marley, has the reggae world seen an artiste with such intense lyrical expressiveness. Solomon continues to pursue his dream and produces with a new band. He produces and performs original music in this society that seems to reject anything that is not copied. Solomon has a wealth of music to give to the world, with two albums presently on the market, "Full Blown Full Grown" and his latest "No Endorsement Required". These albums take you along that musical quest, that's affectionately called "The Solomon Vibe" by the many ardent listeners. Solomon says "Let wisdom dictate".
