

Mp3 Voxanova - Vista Del Mar

[DOWNLOAD HERE](#)

Do you dig original, instrumental music reminiscent of the Bossa-nova era, but with an updated, edgy sound? Check this music out - guitar, flute, bass and percussion in a sophisticated AND fun combo. 12 MP3 Songs LATIN: Latin Jazz, WORLD: World Fusion Details: Recent downloads and purchases of this CD have moved the ranking of this CD into the TOP 100 LATIN ALBUMS in the U.S. Further details at: absolutely.net/music/usa_top_albums_in_latin10.html The Latin influenced, jazz inflected grooves are reminiscent of A.C. Jobim, Paul Desmond, and Herbie Mann. Very melodic, with strong latin rhythms. This music has great cross-over appeal. Voxanova are Liferdance Distribution artists and receive regular play on the nations number one jazz station, kmhd - 89.1 (on your fm dial in the Portland, OR area or on the web at kmhd) Comprised of Steve Funk on nylon and jazz electric guitars (and bass for this recording), co-founder Dave Griffith on flutes and whistles, Dean Thurston adding exotic, world percussion, and Sam Fisher laying down some solid upright and electric bass. Voxanova is also proud to be partnered with cdbaby in making their cd available worldwide. COMMENTS: "It is well done, and the original material is *very* good. This is a CD that I *can* play on my Sunday shows." Art Abrams Radio Host KMHD 89.1, Portland Oregon "This album is a wonderfully crafted hour of Latin laced jazz that weaves a magic carpet of flute and guitar; and then simply floats you away" Wayne Richards Past President Portland Song Writers Association. "I'm really loving this new CD, not just the performance, but the recording quality is just pristine. The drumming just sounds super. You guys should be really proud of it." "I listened to the CD the day I received it. It sure sounds great; we really enjoyed it, and you guys did a fabulous job on it. Boy, there's a lot of music on that CD. Again, I love the CD." Bryan Darby Everything's Jake "I like the CD a lot - it sounds really clean. The mix is really good. Proportions of high end to low end, EQ, is really nice. I'm sure you guys will sell a lot at your gigs." Manny Keller Recording Engineer

Leader drummer of "Design Band" "Your CD is terrific. Percolator is very cool! The UDU is wonderful!"

Michael Kotzen Owner of Tone Cajon
