The Premiership in Focus celebrates 15 years that have changed the face of football. When Football Focus began life on BBC1 in 1968 as Football Preview, football in England was about old wooden terraces, grounds that were ankle deep in mud or covered in snow and a Bovril at half time. In 1992 came the Premier League and the sport changed forever. The Premier League was established as one of the most exciting, cosmopolitan and widely watched national sporting leagues in the world and fans are now able to watch hundreds of Premiership matches live as football has seemingly taken over much of national life. Why has this happened? How has it affected the clubs, fans, players and managers? How long can it be sustained? This book aims to examine these questions as well as celebrate 15 amazing years of football. It will look back at the great moments, outstanding matches, stunning goals, incredible saves, controversial decisions and the sheer excitement that has been the Premiership.
