

Been A Heavy Life: Stories Of Violent Men - Lois Presser

[DOWNLOAD HERE](#)

In this groundbreaking work, Lois Presser investigates the life stories of men who have perpetrated violence. She applies insights from across the academy to in-depth interviews with men who shared their accounts of how they became the people we most fear--those who rape, murder, assault, and rob, often repeatedly. *Been a Heavy Life* provides the discipline of criminology with two crucial frameworks: one for critically evaluating the construction of offenders own stories, and one for grasping the cultural meta-narratives that legitimize violence. For social scientists generally, this book offers a vivid demonstration of just how dynamic and contingent self-narratives are.
