Secrets to creating an Internet Empire from home...from two guys who don't attend very many seminars, and who spend zero time "bitching" in forums. The business lessons Brad learned from Keyword Elite and SEO Elite...that led him to create NicheRevolution. Get the insider story on the launch process that sold out NicheRevolution in a week...bringing in over \$50,000 per month in recurring revenue. Exactly how Brad and Matt pulled off the successful launch of NicheRevolution with no launch partners and no affiliates! The one HUGE change Brad would make if he were doing the NicheRevolution Launch over again...that could double or triple profits. Right about now, if I were you, I'd be wondering how much this coveted information costs...

Well, first let me ask you this: how much is it worth to be sure your Product Launch will be successful? Put another way... if one tip or idea from listening to this interview would make you an extra \$10,000, \$20,000, or more...would you pay \$1,000 to know that information? IF YOU WERE SURE? Of course you would... .. and of course you're smart enough to know this interview isn't going to cost \$10,000 or even \$1,000. You won't have to pay anywhere close to that, and in fact, you'll pay a lot less. Tags: plr, mrr, duo
