Tiffany is a twinless twin who lost her sister in a car accident right before their thirteenth birthday. As her high school graduation day approaches, she finds herself missing her sister more than ever. She begins working on a secret project in memory of her twin. However, after Tiffany ends up in a bad accident, things take a turn for the worse and she abandons her project, realizing that some memories are best cherished from within. Years go by, until one particular summer, Tiffany's past begins to haunt not only her, but a group of young campers as well. They learn that some actions have never-ending consequences, no matter how long ago they occurred. After years of refusing to acknowledge the past, it has come back to stare Tiffany in the face. Now Tiffany must find the strength to face it or many lives may be in danger...Author: Edwards, T.D. Publisher: FastPencil, Inc.
