

From Bullets To Ballots: Violent Muslim Movements In Transition - David L. Phillips

[DOWNLOAD HERE](#)

Phillips's book promotes an understanding of these groups and the context in which they emerge, helping the reader gain better insight into the culture and beliefs that govern Islamic movements and their evolution. Digest of Middle East Studies

From Bullets to Ballots considers non-state Muslim organizations at different stages of abandoning violence and pursuing their goals through a political process. Some have successfully made the transition. Others are in midstream. Many groups could be case studies, but Phillips has selected the Muslim Brotherhood of Egypt, Hamas, Hezbollah, the Kurdistan Workers Party, the Jammu and Kashmir Liberation Front, and the Free Aceh Movement, because they cover the spectrum.
