

God's Supernatural Power - Bobby Conner

The modern church suffers from a serious identity crisis. Many Christians don't know who they really are in Christ. Churches languish in the land of lack, listless, powerless and with little influence in the world. This is about to change! God is birthing a new thing in the church. He is calling all believers to embrace the anointing of the Holy Spirit and walk in His divine power to change the world. The harvest is plentiful and the coming end-time revival needs a vibrant, anointed church that is ready to receive that harvest. God doesn't use just superstars ; He longs to anoint ordinary people to do extraordinary things. He longs to anoint you. If not you, who? If not now, when? Now is the time!
