Lucy's Neighbors Ava Rose Johnson Lucy Hills has lusted after her two sexy neighbors since she moved into her condo a year ago. She never would have believed that either Steve or Doug would be interested in her-she is a woman after all. So when they invite her over for dinner, she expects nothing more than friendly conversation. But the night soon spins into an explosive combination of Lucy's sexual fantasies, and being ravished by two men turns out to be even better than she'd imagined. Steve and Doug have been together nine years and they've shared many beautiful women. But Lucy is the first to steal their hearts. For months they've dreamed about getting her out of her panties and now they've had a taste of her honey, they want her for keeps. But convincing Lucy that a three-way relationship can work isn't easy. They'll have to use everything in their power to keep her trapped between their bodies because they can't lose her now. She's the one.
