

Maddie On Things

Maddie is a sweet-tempered coonhound who accompanied her owner, Theron, on a yearlong, cross-country trip while he worked on a photojournalism project. In his spare time, Theron took photos of Maddie doing what she does best: standing on things. From bicycles to giant watermelons to horses to people, there really isn't anything that Maddie won't stand on with grace and patience. The poignant Instagram photos of this beautiful dog and her offbeat poses have captured the imagination of all those who long for a road trip with a good dog for company. Maddie on Things celebrates the strange talent of one special dog and will resonate with any dog lover who appreciates the quirky hearts (and extraordinary balance) of canines.
