Urban Contemporary/Neo Soul/Hip-Pop 11 MP3 Songs URBAN/R&B: R&B Pop Crossover, EASY LISTENING: Love Songs Details: Chris 10 "The 10 is binary, 1's and 0's for the digital equipment used to record music. The 10 also represents the ten fingers that play the keyboard instruments heard. The 10 is also spiritually connected to the commandments to be obeyed by our creator." Chris 10 is a well polished artist with years of musical training including classical piano keyboard-synthesizer. Chris 10 has performed as a band member(keyboardist) for top Bay Area talents: opening for such acts as the S.O.S. Band and Roy Ayers respectively. Other live performances include sit-ins with Xecutive Suite, The Together Band, Mixed Company, Capital Record's Cold Fire and Felton Pilate of ConFunkShun. Throughout the years Chris 10 has collaborated with top Bay Area producers ; Rick Barretta(Flight Studios), Tony (Diamond)Dewayne, Darnell Gill(Dirty Birdy Productions), Jimmy Weaver(Vault Productions), Davis (Grit Records), Earl Thomas (Hymn&Heart Publishing); thus developing his own style of composing music and writing lyrics. When away from the studio(Soular Records/Millennium Production), Chris 10 performs with the Bay Area group, The Urban Bushmen Band (urbanbushmen.com). * * * * * Note: Purchase this album through cdbaby and become one of the few to obtain a uniquely packaged version that is distinguished by its "Diamond" content.
