R&B Soul Music 14 MP3 Songs URBAN/R&B: R&B Rap mix, URBAN/R&B: Rhythm Blues Details: My name is Daryel R. James. I was born and raised in San Diego California. I am in a family where singing is just a way of life and part of our spiritual healing. My music is a diary of my life and an expression of my soul. Growing up in my neighborhood was hard and I made many mistakes going back and forth to jail, fighting etc. My experience with women and relationships is a big part of my music, because without love in music you have nothing but noise. So when you listen to my music it is directly from my heart, and I hope you enjoy it.
