Beautiful heartfelt piano based melodies with musical influences of contemporary new age, pop and Americana. An uplifting, spiritual and musical journey. 12 MP3 Songs NEW AGE: Contemporary Instrumental, SPIRITUAL: Inspirational Details: Beacon of Light is a celebration of my spiritual journey. I recorded the Beacon of Light project from July 2006 to May 2007 working with Dave Lee at Electronic Garage Studios in Hillsboro, Oregon. This was a fun and uplifting project and I'm excited to have a beautiful compilation of this spiritually inspired music for everyone to enjoy. I prayed for a way to be a "Beacon of Light" to share this music with people around the world. I hope to give the gift of enlightenment through this music. Theresa Parr blesses the album with her voice talent on Each Life That Touches Ours for Good. I only wish I had a voice like hers. She is amazingly talented and I'm grateful she shared her delightful spirit on this project with me. Bringing this music forth and recording Beacon of Light brought me absolute joy. I hope this music takes you to a place of serentiy and peace, brings the spirit into your life, helps you to relax and brings you closer to your spiritual self. I hope this music touches your heart as it has mine. Love to all, Deanna Rose
