Modern Dub with a distinctly retro vibe...firmly rooted in the Jamaican Dub of the 1970s 11 MP3 Songs
WORLD: Reggae, ELECTRONIC: Down Tempo Details: 'No walls can stop the vibrations of Eating Betty...An excellent, deep selection of cuts" - Cornelius S Reverbalism expands, deepens, widens and enriches the dub sound established and developed on Eating Betty In Dub, and features the cornerstone elements of Dub; deep round bass, steady hypnotic drums, skanking delayed guitars and alternately swishing or piercing high hats. Added to this foundation are rich brass arrangements, bubbling organ and deep reverberating piano parts. Furthermore, Reverbalism often waxes experimental; a crucial aspect in the noble history of Dub which is so necessary for the healthy propagation and development of the artform in this politically and musically troubled 21st century. Serious Dub music listeners all over the world have embraced the crucial dub sounds produced at ACEtone Studio by Eating Betty. Not in alphabetical order: Malta, Ireland, Iceland, England, Wales, Japan, Croatia, Jamaica, Cyprus, Peru, Germany, Canada, Australia, USA and many more...
