The sequel to the hit LP "Merseybeat" now available. All new/original Merseybeat songs. Party on. 14 MP3 Songs POP: Beatles-pop, POP: 60's Pop Details: Wichita Falls Records Announces new LP by Frank Lee Sprague Enter the CAVERN Hollywood, December 7th 2005 Authentic! Masterful! A celebration! Critics and fans raved over Frank Lee Spragues 2004 album, Merseybeat. Now, his highly anticipated sequel, Cavern, is available from Wichita Falls Records. While Merseybeat often channeled the sunnier side of the mid-sixties British Invasion, Cavern pulls us into the tense, sweaty atmosphere of Liverpools famous beat club where a four- piece band captivates the audience with their electrifying brand of rock n roll. Cavern features thirteen all-new original Merseybeat songs, skillfully sung, played, arranged and produced by Frank Lee Sprague. The album leads off with an impressive 1-2-3 punch "" the irresistibly catchy Youll Be Mine, the soaring, harmony-filled, Shes a Bad Memory, and the classic, all-out ferocious rocker, Give it All You Can, a song and performance that would have made John Lennon proud. Other highlights abound. She Lied is the perfect single, combining an intense, passionate vocal with an absolutely mesmerizing arrangement and production. The follow-up single might be You Missed Out on Me, a song that will surely propel the cellar dwellers to the dance floor. I Believe is a winsome, melodic ballad in the Paul McCartney mold, while I Dont Love Her Anymore has the feel of John Lennons best work on Meet the Beatles. If Peter and Gordon had sat in with Buddy Holly, they might have come up with Cavern, the jaunty and delightful album closer. But the show isnt over yet. The band roars back with an encore, a crazed, rocked up version of Cleveland Crochets, Sugar Bee. Known for his remarkable ability to synthesize authentic rock n roll styles into his own West Texas imprint, Frank Lee Spragues work has wowed reviewers in Rolling Stone, Playboy, The Washington Post, The New Yorker, and many other magazines and newspapers. He has appeared on CBS nationwide television and National Public Radio,

and has performed live around the world, including several successful tours of Japan. With two Merseybeat-style albums under his belt, he will perform live at the Cavern Club in Liverpool in spring 2006. Cavern is yet another jewel in this outstanding musicians career. As Cavern Club host Bob Wooler would say, Remember all you cave dwellers, the Cavern is the best of cellars. Weve got the hi-fi high and the lights down low, so here we go with the Frank Sprague show!
