Related styles: NEW AGE: Healing, NEW AGE: Ambient People who are interested in Patrick O'Hearn Mark Egan should consider this download. Details: The Dream Catcher Cd was a project in 2002 for a Native American Ambient Collection of compositions. Artwork By Arlene Ladell Hayes I have been playing Bass and Keyboards for thirty years. I have been playing around the Boston area in various original and jazz bands. Presently working on two cd's. One with a band and one a collection of Ambient songs, similar to the American Indian theme, though more jazz/world beat based rhythms. The Bass will be the melody and chordal instrument similar to Mark Egan and Patrick O'Hearn's early solo ventures.
