

Mp3 Hadley Baker - Always Never Serious

[DOWNLOAD HERE](#)

Like a clean version of Adam Sandler, Hadley Baker delivers acoustic comedy music at its finest. Be it a song about your dog dying or the freak show side of internet dating--this album will keep you laughing. 14 MP3 Songs SPOKEN WORD: Musical Comedy, POP: Pop Show all album songs: Always Never Serious Songs Details: Combining the influences of acoustic giants John Mayer and Pete Yorn with the quirkiness of life, Hadley Baker has emerged onto the music scene and is quickly making a name for himself as a musical comedian. Often dubbed the "clean version of Adam Sandler", Baker crafts original comedy tunes which delve into the lighter side of life. "All I wanna do is make people laugh," says the 29-year-old singer / song-writer from Dallas, TX. "Life has a way of getting hard in a hurry. Sooner or later we all find ourselves going through some kind of storm. I want my music to be a break from all life's hassles. I want people to reach for my CD when they're having a crappy day and are in need of a good laugh." With a wide range of hilarity, Always Never Serious (Bakers debut album) delivers an unforgettable listen. Acoustic pop, 80s rock, and even some rap for good measure. This album has something for everyone.
