[DOWNLOAD HERE](#)

A song that any parent can relate to; there is no greater love than that of your children. 1 MP3 Songs in this album (1:28) ! Related styles: EASY LISTENING: Ballads, KIDS/FAMILY: Lullabies Details: A song written and composed by hYdE in 2005, dedicated to her 3 beautiful sons. As a hard-working mom, they continue to inspire her to create art and music, while keeping her grounded. "My Boys" still a favorite among many, which was written in a few moments, while playing with her children on the swingset in their yard. Some time after, it was recorded in studio and later shared the love for her children with many. A classical favorite, which many still favor as "A cappella", like any parent may sing to their child(ren).
