

## Mp3 Jon Charles Newman - Placebo

[DOWNLOAD HERE](#)

Twisted cabaret symphonic noise pop (well, YOU try coming up with a better description) 10 MP3 Songs  
ROCK: Psychedelic, POP: Beatles-pop Details: This could be the future of pop music. Guaranteed to sound unlike anything else you have ever heard. Four years in the making, entirely written, played, recorded, and packaged by Jon Charles Newman - PLACEBO combines pop hooks, noise, samples, and orchestration into a multilayered musical experience. PLACEBO is cinematic in scope and by turns ironic, elegiac, humorous, and terrifying. Oh yeah, it also rocks. Miss it at your own peril.
