"Pianist, composer and awe inspiring singer that merges classical, negro spiritual and soul musics. Her original songs are vocal tour de forces..." Boston Fielder 11 MP3 Songs JAZZ: Jazz Vocals, URBAN/R&B: Soul Details: "With a sultry voice as smooth as melted butter, Lilli Lewis croons a lush blend of jazz and R&B sensibilities, backed by utterly masterful instrumentation. Sometimes melancholy and always deeply mature, the music...will move you on multiple levels." Ampcast.com Lewis originally hails from the eclectic town of Athens, Georgia where she studied classical piano and vocal performance. An "innovative, soulful" singer and composer, Lewis writes with elegant poise in a style where Gabriel Faur meets Pharoah Sanders. As she sings, her versatile voice shows itself in one moment a pure and longing stratospheric pianissimo, the next a low and earthy rumble. Lilli dances across her broad vocal and musical range with arresting beauty and ease. Her band, The Lilli Lewis Project, which features Lewis on piano and vocals, is augmented by award winning clarinetist and composer Todd Brunel who unfailingly presents "tremendous virtuosity and heart" (Eileen Pfeiffer, Boston Globe). A veteran of the Montreal Jazz and Aspen Music Festivals, Brunel plays with breathtaking energy paired with an intimately nuanced lyricism. "Words don't do justice to the music Lilli Lewis creates- a true dichotomy of sound. Vocals that straddle the spectrum from Patti (as in Tuck &...) to Oleta Adams, and music that combines intricate jazz chords and syncopated rhythms most singers would need a month to master. Lewis is the light at the end of the tunnel ...innovative, soulful music [that] will never go out of style." Radio Stonewall , mp3.com "There is a special hush that abounds when the voice of Lilli Lewis hits the air. The classically trained vocalist finds her style of Soul/R&B/Folk Jazz during her music exposure into a well of rich cultural diversity. Esoundz Reporter
