After almost two decades in music, from Detroit to L.A. to Utah, from rap to Motown to pop to rock, and twelve years with her enormously successful band, the Co-Dependents, shes decided to open her eyes and raise her voice on her first ever solo release, Awake. Shes just debuted a four song EP, entitled Super Duper, in anticipation of the full-length album. The disc will be for sale at Lisa Maries upcoming dates on tour with Blessid Union of Souls. The incredible musicianship and sweeping emotions of the four songs on Super Duper are just enough to whet listeners appetites and lead them to wonder where Lisa Marie has been all their lives. From the raw ache of loss, regret, and realization in No More Time to the playful groove of Super Duper, these songs are the work of a wise, soulful, passionate performer and songwriter working in the tradition of Melissa Etheridge and Leonard Cohen with the chops of Bruce Springsteen. Lisa Marie is a musicians musician, the kind of virtuosic player who can hold her own with the best of them in any style and on almost any instrumentshes perfectly at home on guitar, bass, keyboard, and drums. But its her voice that haunts you long after youve heard itequal parts Janis Joplin and Joni Mitchell, its capable of anything: sexy and sweet, gentle and raw, subtle and enormous. It is the kind of voice that seems almost divinely inspired and, once heard, is never forgotten. Super Duper also features longtime Lisa Marie collaborators Brownwen Beecher (fiddle, backup vocals) and Mary Tebbs (guitar, backup vocals.) Beechers incendiary fiddling and Tebbs eloquent guitar sound are the perfect complement to Lisa Marie, and the three women play togetherboth live and on discwith all the texture, heft, and power of a much larger band. In addition to her responsibilities as a musician, Tebbs also produced the EP. While Lisa Marie has never recorded her own work before, the four songs on Super Duper are clearly not the work of

a nascent songwriter spreading her wings. Rather, the artist inside the cover-singer has emerged fully formedconfident, up to the challenges that await her and, finally, wide awake.
