

Mp3 Mark Dunn - Jazz: Bebop

[DOWNLOAD HERE](#)

This eloquently crafted, completely original Jazz CD draws from a wide variety of influences such as hard bop, straight ahead, gospel, funk, swing, and a touch of samba. 10 MP3 Songs JAZZ: Bebop, JAZZ: Bossa Nova Details: Beginning his music career in Philadelphia, Mark Dunn has performed and studied music in various locations throughout the world. Different styles are reflected throughout his work. Mark Dunn's Debut CD - Review by Chuck Miller of WRTI Jazz 90 Philadelphia, PA. From the get go Mark Dunn's release is hot. You hear all that's good in the Philly jazz scene; eloquent writing and highly crafted performance that swings hard. The release spans hard bop harmonies, to blues and ballads and a taste of Brazilian influence just for fun. As you hear the first track, "Cousin Joe" I'll almost guarantee that you'll say to yourself, "What a great record!" If you like that east coast sound, this is a must have for your collection."
