With her sweet voice and folksy guitar, she explores love, parenthood, marriage, family, loss and happiness with a keen eye for truth, and a decidedly determined spirit. 10 MP3 Songs FOLK: Gentle, FOLK: Modern Folk Details: A lifelong resident of Florida's Gulf Coast, Michelle finds songwriting inspiration in the extraordinary importance of seemingly mundane gestures and experiences. She has an intuitive ability to uncover what behaviors really mean in terms of human connections to one another. Her family and friends are often unwitting subjects, but they don't seem to mind. A friend's miracle baby inspired "Good News," and a marital spat became songwriting fodder in "While You Are Sleeping," while making up inspired "My Red Coat," a joyful accounting of a perfect day of happiness and security. "Starfish" is the result of a close collaboration with Blue Chair Records owner Ted Cobena. A veteran rock drummer originally from Southern Louisiana, he briefly became a folkie in order to help out a friend.
