

Mp3 Roger Mayorga - Into The Distance

[DOWNLOAD HERE](#)

'Into The Distance' is a journey through meditation and healing. Like the sounds of morning rain, flute and piano fall into place and sprinkle the spirit with emotion, originality, and freedom. 12 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Roger is a composer, performer, and multi-instrumentalist. He brings a message of peace through his music by combining the sounds of world flutes such as the Moxeo and Quena from South America and the Native American Flute with meditative piano compositions. "Into The Distance" is Roger's latest project. As you listen to the entire song selection, experience meditation and healing. Find your path and let the music guide you or just leave the music on as a context for relaxation.
