

## Mp3 Teva - Call From Above

[DOWNLOAD HERE](#)

An eclectic set of songs and instrumentals with a broad stylistic range and commercial sensibility. 13 MP3 Songs URBAN/R&B: R&B Rap mix, WORLD: World Fusion Show all album songs: Call From Above Songs Details: 'Call From Above' is Teva's latest release, This unique album showcases the band's technical skill and diversity of musical styles. From the title track, with its fusion and world beat influences (that's a 'nai' not a flute), to the gospel-inspired 'I'll wait,' this band spans the gamut of contemporary musical genres. Add to the mix urban rap, old school R&B, rock'n'roll, instrumental jazz, Middle Eastern and Latin flavors, with a positive spiritual message, and you have eclectic music in the best sense of the word.
