

Mp3 The Shadow Masters - Make Some Noise

[DOWNLOAD HERE](#)

a rich mix r&b / jazz / funk / rock with a dash of techno 14 MP3 Songs URBAN/R&B: Contemporary urban, URBAN/R&B: Funk Details: This CD is a chapter into some thoughts, ideas, and perspectives about the three L's (life,love,and living). Music transcends transpires and transforms all three. This CD represents different styles and tempos of musical expression, without the profanity, rage, or sexual content. This is what we are about, fun music, positive music, good music.
