French classical songs and famous French children's songs for the entire family. 13 MP3 Songs in this album (23:49)! Related styles: KIDS/FAMILY: General Children's Music, CLASSICAL: Debussy People who are interested in Gabriel Faur Jacques Offenbach should consider this download. Details: Tot Talk's newest product release, Globe-Toddlers French Classical Music for Children CD, includes French masterpieces from the 17th - 20th centuries written by composers including Leo Delibes, Georges Bizet, Jacques Offenbach, Francois Couperin, Gabriel Faure, and Claude Debussy. The CD includes several well-known French children songs. Quand Trois Poules Vont Aux Champs is France's version of Twinkle Twinkle Little Star. Lyrics to Frere Jacques and Sur Le Pont D'Avignon in both French and English are included so the entire family can sing along. The CD would not be complete without France's national anthem, La Marseillaise. Research shows that classical music profoundly stimulates a child's brain, even in the womb.
