An exciting band from Germany that combines great melodic vocal content with pure pulsating electronics. 12 MP3 Songs POP: New Wave, ELECTRONIC: Pop Crossover Details: "Time to Speak" is the debut album from Germany's melodic synthpop act Wave In Head. The band builds on a strong traditional synthpop sound, adding a modern edge while keeping the songs and melodies in the forefront. One reviewer commented: This album is the perfect culmination of uplifting dancy tracks and slow tracks that will sweep you into another dimension. Michael has a voice that is so utterly enchanting that you melt into a dream. His vocals are impossibly passionate and smooth, enhanced by his ... German accent. Absolutely sensational! His programming is excellent as well, a transcendental soundscape of beautiful sounds and catchy patterns.
