Special Content Alert: M/M Excerpt: "You're so fucking responsive," Dane whispered as he licked his way up James's neck. "Do you know what a turn on that is?" James shook his head. Dane grabbed James's hand and placed it on his hard cock. "See what it does to me? How hot you make me?" Dane growled.

"I'm going to fuck you so hard you'll feel me for a week." James groaned. Dane's words were arousing him to new levels. No one had ever talked to him like that. His cock throbbed where it lay against Dane's thigh. The idea of being fucked incited both fear and excitement. But when Dane bent down and took James's cock into his mouth, James forgot all about his trepidations. "Oh fuck!" he groaned loudly. James's heart raced and all the blood in his body shot down to his cock leaving him aching and engorged. Dane didn't seem to notice James's discomfort. He just continued what he was doing, driving James out of his ever loving mind. Dane slid his hot mouth all the way down James's dick until his nose hit James's groin. James could feel the head of his cock hit the back of Dane's throat. Tight lips massaged his shaft. The longest tongue James had ever felt wrapped around him. James's moved his hips, humping against Dane uncontrollably. He fisted his hands in Dane's hair, seeking some semblance of control. The situation had moved forward so fast, James could barely catch his breath. "Uh uh," Dane said as he let go of James's cock and grabbed his wrists. "None of that." James scrunched his forehead in confusion. None of what? He had his answer when Dane pushed his hands back over the top of his head. James started to look up to see what Dane was fiddling with when he felt cold metal close over his wrists and heard the unmistakable sounds of handcuffs clicking closed. "What the fu-" "Shh, sweetheart," Dane crooned. He placed the key in James's hand. "You can release yourself whenever you want to and leave but I promise you, if you stay, I will give you an experience you will never forget." Dane scooted back down James's body. "I promise not to do anything you won't enjoy." With that, Dane dove back down on James's cock. James's fist closed over the key. He didn't unlock the cuffs. He was too busy losing his mind again. Dane had started swallowing around his cock again. He couldn't imagine ever asking Dane to stop. He'd have to be dead first.
