

# Tire Store Plr Amazon Turnkey Website

[DOWNLOAD HERE](#)

What doesn't need tires? Pretty much any car and vehicle on and off the road. It's one of those must-have products that every vehicle owner needs. Fact in the people who want the best of the coolest looking tires, so show off to their friends. They want to be hip and in style. Well, something like that. I'm sure you know how big the automotive market is, and how hot the auto after market is as well. These are not only necessary products, but stylish products as well. This is one of the biggest stores we've created to date. It is over-stocked and over-flowing with appliances from many different brands, sizes and styles. Here is your golden opportunity to cash in on a profitable and high ticket product line with this wide selection of tires in many different sizes and styles including some real cool performance and racing treads. Best yet, many of the tire products on this site are higher priced which could mean even bigger commission

checks. One of the best ways to make more with Amazon is to sell higher ticket items and here is the chance for you to do just that. You'll be getting a fully stocked tire store with just over 600 amazon products built right in to the site, it's ready to go and it's ready to sell. It takes only minutes to add your affiliate link and you'll get the commission for every sale from the site. Since the site is stocked with amazon product links, when your visitors click a link and buy, you get a commission on what ever they buy. Not to mention, amazon handles everything, there is no shipping, payment or customer service you need to worry about. You simply drive traffic to the site and collect commission checks. Remember too, that people often buy more than one item from amazon, in the case of tires, it could be 4 at a time, which could mean bigger commission checks for you. We've even created a brand new custom professional tire store layout and theme just for this site, from scratch, that you won't find anywhere else but right here. The header image is also included in PSD and JPG so you can change it, brand it, add your website address, or anything you'd like. The site comes with 29 Tire categories as follows: All Season Tires ATV Tires Avon Tyres Tires BF Goodrich Tires Bicycle Tires Bridgestone Tires Continental Tires Dunlop Tires Falken Tires Goodyear Tires Hankook Tires Harley Davidson Tires Hercules Tires Kumho Tires Michelin Tires Motorcycle Tires NanKang Tires Nexen Tires Nitto Tires Off-Road Tires Performance Tires Pirelli Tires Road Bike Tires Scooter Tires Tire Inflators Toyo Tires Trailer Tires Yokohama Tires Check out the fully functional Demo Site: Tire Store Of course that is not the only way you will be profiting from your new Amazon tire Store web site, there are other ways you'll be cashing in... Revenue Model: 3 spots for adsense ads built into the site, also showing on every page of your new website. When your visitors click on those ads, you get paid. And of course, over 600 home appliance and related amazon products built right into the website for you. The hard work has already been done for you. Saving you a TON of time. It's also very simple and quick to add your amazon affiliate ID. Usually takes about a minute of your time. All the advertising, including amazon products and adsense ads take only a few minutes to install your own affiliate ID's and your off and running to the bank. Remember as well, it's your site, you can change anything on the web site, even if you want to use different advertising companies or different revenue models. It's completely your choice. Website Core Features: Google Analytics to track your traffic Content Preloaded, products are built into posts, which means 100's of web pages on your site for the search engines to find and rank. All the Plugin's Pre-Loaded and installed for you. RSS Feeds to help with search engine ranking and link building. Built in social book marking with Sexy Bookmarks, a very professional

social plug-in, that can help spread the word about your site and bring you even more visitors. Social bookmarking built-in make sit easy for your visitors to post your webpages to Facebook, Google+, Pinterest and more. You can even set up the social buttons you want with a load to choose from. It's your site, it's your choice. We've also included a privacy page, which is becoming important these days. You'll also be getting a contact form built in to the site. There is also a fancy contact page added to the site for you. Your site could be seen as a Tire super store website that people could return over and over again, which means a good chance you'll make more sales. Gain the Advantage in the Search Engines with these Built in Features: Site Map so the search engines can find all your pages easily. Search Engine Friendly URL's so your pages will have a better chance of getting ranked in the search engines. Also 100's of tire product related product tags (over 1,100), means more pages on your site for the search engines to find and possibly get rank! It's so EASY to use... The site runs on the Wordpress platform (all files included, Version 3.4.1), so you know it's super easy to maintain, edit, change, use and add new content. If you can point, click and type, your set. BONUS: We've even included a report that explains how to profit from your new site including traffic generation topics. Once installed (complete install instructions are included), you will have full control over the site, which means you can change or edit the site anyway you want. For most people it's a 20 minute installation. You do need to supply your own domain name and hosting, other than that, everything else is included, including all the website files, everything you need.
