A Taste of Midnight Aubrey Ross Crimson Carousel, Book Two While a stand-alone, A Taste of Midnight is best enjoyed when read in series order. Brenna Skyler, Mistress Air, chooses ambition over love. To become an Elemental, the most exalted position among the Unseleighe Sidhe, Brenna has to end her scandalous affair with Phillip Noir, a vampire. Although she never stops loving him, she is resolute in her decision, until now. A vampire is preying on Dark Elf females. And it takes a vampire to track a vampire... Phillip is thrilled when Brenna comes crawling back to him. He's not used to playing the jilted lover, yet he's never forgotten the only woman who ever really touched his heart. He doesn't mind destroying a rogue vampire-it's the right thing to do-but Brenna needs a lesson in humility. She'll pay for her callous rejection with her supple body. And they will both enjoy her punishment! Publisher's Note: This book was previously published elsewhere and has been revised for Ellora's Cave. Reader Advisory: As in A Taste of Twilight, the decadent Faelon, from an upcoming Crimson book, once again provides the needed third when Brenna and Phillip create a powerful blood bond through a sexual ménage.
